

CALEB KIDD COY

Serving others for more than two decades, helping families and individuals build and pass down their legacy

LEGACY HERO CONSULTANT | SPEAKER

EMPOWERING HUMANITY TO PRESERVE & PASS ON THEIR LEGACY

Many people work tirelessly throughout their entire life, intending to eventually pass down their wealth and assets to their loved ones. However, nobody likes the idea of going through the expensive and time consuming process of being dragged through probate courts. Many people are led to believe the process of passing down assets is too complex or difficult, which causes them to procrastinate and not take any action.

Caleb helps simplify the process of passing down one's legacy and gives people assurance and peace of mind for their family's long-term security. He helps people be remembered as a hero to their families, communities, and the causes that matter to them rather than a procrastinator or irresponsible burden.
